The Resort:

The Hotel Riu Palace Pacifico is undoubtedly Riu's most luxurious hotel in the area. The high-quality service and professionalism of its staff make this hotel the perfect place.

If you want to escape from the hustle and bustle of the city and leave behind the stress of everyday life, this Palace offers you the best facilities to cater to your every need. You'll find a freshwater swimming pool, Jacuzzi, solarium-terrace, gym, sauna and spa with a range of different treatments and massages.

Thanks to the all inclusive system, you can enjoy Mexican cuisine at its best. Taste a wide variety of dishes with distinctive and sophisticated flavors. It is a combination of gastronomic traditions, including Mesoamerican and European ones, as well as many others, which is why the hotel's buffet and the different-themed restaurants offer the best menus and made-to-order dishes.

You will also find numerous fun activities to entertain you and your family. You can go diving, play volleyball, enjoy gymnastics, windsurfing, catamaran, kayaking, body boarding, golf and many other water sports at the beach. At night, you musn't miss the shows and live music organized for you by Riu's entertainers. If you want to go dancing, you are invited to the Pacha club, where Riu's DJs play the best beats. Your children will have a ball in the Riu Land program, where crafts and sports are just some of the leisure activities organized by Riu's entertainers.

Currency exchange:

Due to new goverment legislation all Riu Hotel Resorts in Mexico will be unable to receive cash payments in US dollars. All payments are now required in Mexican pesos. The new regulation also indicates that it won´t be possible to provide currency exchange services in USD within the resort. This new regulation will not affect transactions in other currencies. An ATM is available in the hotel to withdraw Mexican pesos.

Destination:

Surrounded by the beautiful Banderas Bay and protected by the impressive Sierra Madre, you will find Nueva Vallarta, one of the most popular tourist destinations in Mexico. With excellent beaches and water sports, this city gives you the opportunity to get closer to nature at its most unique. If you want to go on excursions and discover the surroundings, we recommend you to make a stop at Banderas Bay to see the release of sea turtles, swim with dolphins, observe blue whales, go horseback riding in the Sierra Madre, and for the more adventurous, we suggest bungee jumping. In the beach area, you will find many restaurants, bars, cafés, shops and businesses where you can buy souvenirs.

Extras:

- TRAVEL INSURANCE: Optional travel insurance is not included but is highly recommended and should be purchased at time of registration. The cost is based on the age of traveler and trip cost per person. Please indicate on your registration form if you would like a quote.
- PARK & FLY: Westin Detroit Metropolitan Airport - $189 + tax, including one night stay and up to 10 nights valet parking in covered parking garage. Please specify on your registration form if you would like to reserve a package.
- Mexico's currency is the peso, but the US dollar is also widely accepted except in the hotel (see above). Traveler's checks are widely accepted and there is normally no charge for using them in restaurants and stores. Major credit cards are accepted at most establishments while personal checks are normally not accepted.
