Notice to Students: Although Elective syllabi at MSUCOM have a consistent format; vitally important details differ by Elective. For this reason, you must read the syllabus thoroughly at the onset of each elective to understand what educational activities will be provided and what is expected of you.

Section 1 – Course Information

Elective Description

Sports OMT is a 1 credit hour elective that is designed to provide the student with an opportunity to actively treat MSU Division I athletes using OMT under the guidance of faculty residents.

This course is a two-year commitment. First year students are trained to evaluate and treat the lumbar, sacrum, pelvis, and lower extremity regions using a standardized OMT protocol. Second year students spend time at Jenison Field House treating MSU Division I cross-country athletes using the standardized OMT protocol.

The overall performance of course participants will be evaluated by a practical and written exam at the completion of the first semester to assess understanding and ability to perform OMT protocol. Attendance at review sessions will be required during the remaining semesters; however there will be no additional examinations.

Course Goals

1. To learn OMT treatment protocol including Muscle Energy, HVLA, and Articular techniques applied to lumbar, sacral, pelvis and lower extremity regions.
2. To execute protocol efficiently and effectively on MSU Division I athletes.

Course Coordinator

(Note - Preferred method of contact is shown in italics)

Name: Mathew Zatkan, DO

Email: zatkanma@msu.edu (preferred method)

Course Faculty

Name	Email
Lauren Leslie, D.O.	haslerla@msu.edu

Elective Schedule

This elective is a 4 semester commitment. During 1st semester, students will meet Mondays 6-8 p.m. in room D9. Additionally, they will spend approximately two Tuesday nights at Jenison Field House shadowing 2nd year students treating the athletes. During the remaining 3 semesters, first and second year students will spend approximately two nights a week at Jenison treating athletes. Approximately one review session per semester will be required.

There are additional opportunities for leadership roles during this course after completion of the first 2 semesters. If interested, contact your current 2nd year coordinators.

An updated schedule for the semester can be found on the google drive account and Facebook page. Information will be given once you have registered for the course.

Required Exams/Assessments

The activities required for successful completion of this elective are listed below:

Assessments	Projected Points	Material to be Covered
Practical Exam	End of first semester	Students will be required to treat 2-4 areas; diagnosing and treating according to OMT protocol.
Written Exam	End of first semester	20-25 multiple-choice questions regarding the OMT protocol. Must score above 80% to pass.
Assessments	Projected Points	Material to be Covered

Required Proctoring Arrangements

N/A

Elective Grades

- **P-Pass**—means that credit is granted and that the student achieved a level of performance judged to be satisfactory by the instructor. To obtain a "P" grade for this Elective, a student must obtain 80% on written exam, pass the practical exam, and have no more than one excused absence.
- **N-No Grade**—means that no credit is granted and that the student did not achieve a level of performance judged to be satisfactory by the instructor. A student who has two or more absences from required scheduled activities will receive an "N" grade.
- **Remediation** - Since all of the Electives in the MSUCOM curriculum are optional, Students are not required to remediate the elective if an "N" grade is received.

Student Evaluation of the Course

We want your feedback on how to improve this course.

- Informal Feedback: Feel free to approach the Elective Coordinator, Michele Benton, or any of the other Elective instructors with your reactions and suggestions. Or write out your comments and email them to the Elective Coordinator or Faculty.

Section 2 – Policies

Academic Honesty and Professionalism

http://www.com.msu.edu/Students/Policies_and_Programs/Med_Student_Rights_Responsibilities.htm

http://www.com.msu.edu/Students/Professional_Development/Code_of_Prof_Ethics.htm

Each individual student is responsible for their behavior and is expected to maintain standards of academic honesty and professionalism. If any instance of academic dishonesty (cheating, plagiarism, etc.) is discovered by an instructor, it is his or her responsibility to take appropriate action. Such action may include giving a failing grade to the student in the Elective and/or referring the student for judicial review and possible disciplinary action, which may include disciplinary suspension or dismissal from the College.

Attendance/Excused Absence

In accordance with the MSU All-University Policy on Attendance, MSUCOM does not have a regulation requiring class attendance. However, the College understands and supports the need and the right of the faculty to expect student attendance and participation in many curricular components with consequences if the student is not attending. In the spirit of professional behavior, MSUCOM students are expected to attend required class sessions (e.g., lectures, laboratories) and take all examinations during their originally scheduled times. If this is not possible, the student must obtain an excused absence. To obtain an excused absence, you need to make the following contact, as appropriate, prior to the scheduled administration of the examination(s).

Personal Emergencies:

(e.g., death in family, serious illness (acute), hospitalization, automobile difficulties).

Elective Coordinator: Michele Benton

Michele.Benton@hc.msu.edu

A personal emergency is typically defined as the death of an immediate family member, serious illness, automobile accident and/or hospitalization. Situations including, but not limited to: failure to be on time, conflicting appointments and failure to provide proper identification will not be considered a personal emergency, and requests based upon these situations may be denied.

If an examination/assessment or other mandatory experience is missed due to medical reasons, a medical provider's written confirmation may be required before the request is considered.

Where there is advance notice of absence:

For advance notice absences, a student must submit his/her excused absence request at least one week in advance of the scheduled mandatory elective activity. Wedding, family celebrations, vacations, conferences, etc are not considered acceptable excuses. If an examination or other required experience is missed due to medical reasons, an attending physician's written confirmation will be required in order for the absence to be excused.

Conference, Conventions, Meetings, College Sponsored Activities

If a student wishes to attend a conference, convention, meeting, or college sponsored activity which will cause him or her to miss a mandatory class [session(s) and/or examination(s)], he or she must complete and submit an [Excused Absence Request](#) Form to Academic Programs osteomedap@hc.msu.edu at least two weeks prior to the expected absence period and provide a copy of the conference, convention, meeting or college sponsored activity announcement. Examination dates and mandatory class sessions will not routinely be changed for these activities.

Extended Absences:

MSUCOM will not excuse students for extended absences involving elective travel and medical mission work in another country. Approval of extended absences for unavoidable situations will be considered by Academic Programs osteomedap@hc.msu.edu on a case-by-case basis.

Requests for Special Accommodations

Michigan State University is committed to providing equal opportunity for participation in all programs, services and activities. Requests for accommodations by persons with disabilities may be made by contacting the Resource Center for Persons with Disabilities at 517-884-RCPD or on the web at www.rcpd.msu.edu. Once a student's eligibility for accommodation has been determined he/she may be issued a Verified Individualized Services and Accommodation ("VISA") form. Please present this VISA form to Cheryl Luick, luick@msu.edu, A-331 East Fee Hall at the start of the semester and/or two weeks prior to the accommodation date (test, project, labs, etc.). Requests received after this date will be honored whenever possible.

It is the responsibility of the student with accommodations to contact the Elective Coordinator two weeks prior to the start of the term, or two weeks prior to the scheduled assessment event or other planned use of accommodations. Requests received after this date will be honored whenever possible.

It is the responsibility of the student to submit or have submitted an updated version of their accommodations to Cheryl Luick each semester that a student plans to use their accommodations.
