The D.O.-MBA dual degree program is an innovative response to the increasing need for business competency in medical practice and to prepare physicians for careers in health care leadership. The program is designed to be completed in five years.

Graduates:
Gain expanded career opportunities
Understand the business foundations of health care
Reinforce their clinical education

The MBA degree:
The MBA portion of the joint degree offers a concentration in management, strategy and leadership.

The D.O. degree requires:
- Two years of classroom training
- Two years in clerkship experience

Application Requirements:
Prospective D.O.-MBA candidates are required to fulfill application requirements for both programs. Although the applications are separate, some of the requirements may be similar.

MBA Requirements:
- Academic record
- Resume
- Standardized test score (GRE or GMAT)
- Personal essays
- Letters of recommendation
- Evaluative interview
- International test score, if applicable
