GOAL:

To develop and deliver clinically relevant, evidence-based CME in an effort to align physician behavior with current clinical guidelines and the evidence to improve competence and care provided to their patients.

ACCREDITATION:

The Michigan State University College of Osteopathic Medicine (MSUCOM) is accredited by the American Osteopathic Association to provide osteopathic continuing medical education for physicians.

MSUCOM designates this program for a maximum of 8 AOA Category 1-A credits and will report CME and specialty credits commensurate with the extent of the physician's participation in this activity.
