Accreditation Statement
Beaumont Hospital – Farmington Hills (formerly Botsford Hospital) is accredited by the American Osteopathic Association (AOA) to sponsor continuing medical education for physicians.

Beaumont Hospital – Farmington Hills (formerly Botsford Hospital) is accredited by the Michigan State Medical Society to provide continuing medical education for physicians.

CME credits can be used to meet the Continuing Education Requirements needed for Michigan Nursing Relicensure without limitation.

Continuing Education Credit
Beaumont Hospital – Farmington Hills (formerly Botsford Hospital) designates this continuing medical education activity for a maximum of 17 hours in Category 1-A American Osteopathic Association CME credits. Physicians should only claim credit commensurate with the extent of their participation in the activity. Family Medicine and Internal Medicine Specialty Credits will be issued.

Beaumont Hospital – Farmington Hills (formerly Botsford Hospital) designates this live activity for a maximum of 17 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

A maximum of 17 CME credits can be used to meet the Continuing Education Requirements needed for Michigan Nursing Relicensure without limitation. Each attendee should claim only those hours of credit that is actually spent in the live activity.

Target Audience
The target audience for this educational conference is primary care physicians, internists, nurse practitioners, physician assistants, and nurses.

Special Needs
In order to appropriately accommodate any special dietary needs, please contact Esther Gargalino at (248) 471-8350 or esther.gargalino@beaumont.org no later than November 8, 2015.

Cancellation Policy
Prepaid registration fees will be refunded minus a $25 administrative fee, upon written notice of cancellation by email or mail received on or before November 8, 2015. No phone calls will be accepted for cancellation of registration. No refunds will be made after November 8, 2015. Please direct your correspondence to: Esther Gargalino, CME Coordinator, Beaumont – Farmington Hills, 28050 Grand River, Farmington Hills, MI 48336, esther.gargalino@beaumont.org or (248) 471-8837 fax.

NEW LOCATION! The Diamond Banquet Center, connected to the Hyatt Place Hotel At the Suburban Collection Showplace. See map inside for details.
“Wound Care Self-Guided Workshop”

Objective: Participants will be able to demonstrate an incision and drainage of an abscess and sharp/surgical debridement of a burn wound and diabetic wound.
FRIDAY, NOVEMBER 20, 2015

KEVIN I. FRANKEL, D.O., FAAFP - MODERATOR

All Day

―“Wound Care Self-Guided Workshop”―

7:00 a.m.  Registration & Continental Breakfast

7:55 a.m.  Welcome & Announcements – Paul LaCasse, D.O., MPH and Andrew Cykiert, D.O., FACOI, FACP

8:00 a.m.  “The Basics of a Neurological Exam in the Primary Care Setting”
William D. Boudouris, D.O., FACN
Objective: Practitioners will have a better understanding of the neurological exam and will feel more comfortable assessing a patient quickly in regards to neurological complaints.

8:50 a.m.  “Neuro Symptoms! What Do I Order?”
Rocky C. Saenz, D.O., FAOCR
Objective: Participants will gain an understanding of which study is appropriate for the neurologic symptomology presented, and the indications for use of IV contrast will be discussed. Radiology findings of common neurologic pathology will be reviewed.

9:45 a.m.  Panel Discussion – Q/A

10:00 a.m.  Break – Visit Exhibits and Scientific & Educational Displays

10:15 a.m.  “Approach to Geriatric Anemia”
Savitha M. Balaraman, M.D.
Objective: Lecture will discuss how the etiology of anemia in the elderly sufficiently differs from the etiology in younger adults and the increased risk of morbidity, hospitalization and mortality.

11:05 a.m.  “Updates on Current General Surgery Practices”
Kelly A. Dinnan, D.O.
Objective: Lecture will discuss the workup of a patient with right upper quadrant pain and workup of a patient with a breast mass. A review of lumps and bumps and when they should be removed will be presented.

12:00 p.m.  Panel Discussion – Q/A

12:15 p.m.  Lunch – Visit Exhibits and Scientific & Educational Displays

1:00 p.m.  “State of the Michigan Healthcare System”
Keynote Speaker: David P. Wood, Jr., M.D.
Objective: The lecture will provide an overview of current changes in Healthcare and how they affect Michigan hospitals and healthcare providers.

1:50 p.m.  “Complementary and Integrative Medicine – Options for Improving Health and Wellness”
Michael D. Seidman, M.D., FACS
Objective: Participants will gain an understanding of the definition of Complementary and Integrative Medicine and will learn where there is valid science. What works and what does not work in Complementary and Integrative Medicine will be discussed along with how to incorporate some of these practices to better help the patient.

2:40 p.m.  Panel Discussion – Q/A

3:00 p.m.  Break – Visit Exhibits and Scientific & Educational Displays

3:15 p.m.  “Current Topics in Cardiology”
Kenneth J. Tobin, D.O., FACOI, FACC
Objective: Presentation will review and discuss current controversies of testosterone therapy and cardiovascular disease, current changes in lipid treatment guidelines, and current changes in hypertension treatment guidelines.

4:05 p.m.  “Update on Asthma, COPD and Spirometry”
Steven V. Stryk, M.D., FAAAAI
Objective: Participants will obtain a basic understanding of spirometry and recognize the role spirometry has in asthma and COPD. The risks of asthma step-down and the importance of exacerbation reduction in COPD will be discussed.

4:55 p.m.  Panel Discussion – Q/A

5:15 p.m.  Closing remarks for the day
SATURDAY, NOVEMBER 21, 2015

RANDALL A. BICKLE, D.O., J.D., CPE, FACPE - MODERATOR

All Day  “Wound Care Self-Guided Workshop”

6:30 a.m.  Registration & Continental Breakfast

7:00 a.m.  Sunrise Session – “New Concepts in Diagnosing & Treating Back Pain: A 21st Century Approach”
   Stephen I. Goldman, D.O., FAAO, FAOASM
   Objective: Participants will gain a better understanding of the complexities of neuromuscular control of the back and trunk, how to differentiate between radicular and inhibitory causes of muscle weakness, and how to use this information to assist in designing appropriate treatment plans for patients with back pain.

7:50 a.m.  Welcome & Announcements – Andrew Cykiert, D.O., FACOI, FACP

8:00 a.m.  “Adrenal Incidentalomas”
   Opada Alzohaili, M.D., FACE
   Objective: Presentation will discuss how to do a work up for adrenal mass; Cushing syndrome; adrenal failure; and endocrine hypertension.

8:50 a.m.  “Male Testosterone Deficiency – Diagnosis and Current Treatments”
   Jeffrey Schock, D.O., FACOS
   Objective: Lecture will define and review how to diagnose testosterone deficiency in men and discuss benefits and risks of treatment. Signs and symptoms of Hypogonadism (Androgen Deficiency) and current treatment options, including monitoring while on therapy will be discussed.

9:45 a.m.  Panel Discussion – Q/A

10:00 a.m.  Break – Visit Exhibits and Scientific & Educational Displays

   Peter L. Bono, D.O., FACOS
   Objective: Lecture will discuss spinal anatomy, utilization of imaging modalities, managing stenosis patients, and surgical treatment of spinal stenosis.

11:05 a.m.  “Knee Pain: When Do I Order More Tests? An Orthopedist’s Approach”
   Jeffrey E. Michaelson, M.D., FAAOS
   Objective: Presentation will discuss evidence-based medicine and approach to MRI utilization; thought process to knee pain evaluation; appropriate use of testing and specialists referrals.

12:00 p.m.  Panel Discussion – Q/A

12:15 p.m.  Lunch – Visit Exhibits and Scientific & Educational Displays

12:45 p.m.  “Infectious Disease Curbside Consultation”
   Gerald W. Blackburn, D.O., MACOI
   Objective: Lecture will provide up-to-date information for the primary care practitioner to help deal with various challenging infectious disease-related issues.

1:35 p.m.  “Medical Dermatology for the Non-Dermatologist”
   Brian A. Kopitzki, D.O., FAOCD, FACM
   Objective: Presentation will provide an update on new therapies and review of commonly seen skin conditions including acne, rosacea, eczema and psoriasis. Diagnosing and managing skin cancers will also be discussed.

2:25 p.m.  “Tackling Depression in the Elderly”
   Jennifer L. Beal, D.O.
   Objective: Presentation will review depression in the elderly along with demographics and statistics that stress the importance of identifying and treating. Patient history, screening tests and diagnostic workup of depression will be covered. Treatment approaches and when to consult a specialist will be discussed.

3:15 p.m.  Panel Discussion – Q/A

3:30 p.m.  Closing Remarks
