

Benefits of Being an MSU-COM FCM 640 or FCM 650 Preceptor

FCM 640 and FCM 650 preceptors are active primary care clinical faculty members that specifically accommodate and teach MSU-COM 2nd year students in their practices. Rotations for FCM 640 and FCM 650 are each one-week long, and all students are required to complete a rotation in each course as part of the MSU-COM Curriculum.

The following is a list of a variety of benefits specific to those clinical faculty that participate in FCM 640 and/or FCM 650. Further information may be obtained by referring to the Adjunct and Clinical Appointments section of the MSU Faculty Handbook, which may be found at https://www.hr.msu.edu/policies-procedures/faculty-academic-staff/faculty-handbook/adjunct_appointment.html.

Benefits extended specifically to FCM 640 or 650 preceptors ONLY

In addition to all of the benefits listed in the following sections, clinical faculty members that act as preceptors for the one-week intensive preceptorship courses (FCM 640 or FCM 650) for our second-year DO students receive MSU-COM continuing education registration vouchers. These vouchers are good toward registration fees for CME programs sponsored and coordinated through the MSU-COM Office of Continuing Medical Education.

- *\$100 voucher for each week of participation*
- *Valid for two years*
- *Stackable to offset the cost of any MSU-COM CME courses, up to the entire value of the course*
- *Must be presented with course registration form*
- *Non-transferrable*
- *Non-refundable*
- *Voucher must be used in its entirety at time of registration. Any portion not used will be forfeited.*
- *MSU-COM CME program schedules may be found by visiting the COM Continuing Medical Education website at <http://com.msu.edu/CME/Index.htm>*
