Dear Friends of PAWS,

PAWS With A Cause® thanks you for your support of our program and for generously collecting and donating many items from the PAWS® Wish List. Your kindness allows us to further our vision: To encourage independence for people with disabilities by sustaining and strengthening our position as the nation's leading provider of quality Assistance Dogs.

We appreciate the time it took to collect these goods and please know that they will go to good use! Because of your generosity, PAWS® is able to enhance the quality of life for people with disabilities: a quality of life that encourages independence, accessibility, mobility and self-sufficiency.

We are very grateful for your interest in our mission to train Assistance Dogs for people with disabilities so they can become more independent and rely less on others to meet their daily living needs. Please know that your trust and support of our work is deeply appreciated. Thank you for your kindness.

Very truly yours, -

Michael D. Sapp Sr.
CEO

P. S. - To read stories about our awesome Assistance Dogs, visit www.pawswithacause.org!

PAWS® has not provided you with any goods or services in exchange for this contribution. Please retain this document as a record for any income tax deduction available for this donation. Thanks again for your support.
