Dear Simple Gifts:

On behalf of the Transitional Foster Care Program at Lutheran Social Services of Michigan (LSSM), I would like to thank you for your generous gift of 6 backpacks, 30 luggage bags/duffel bags, 46 tote bags, 3 dolls and 32 stuffed animals.

Each year the Transitional Foster Care Program at LSSM continues its mission of advocating, protecting and providing necessary services to unaccompanied minors who arrive to the United States.

Your donation has a great impact on our program since these items will serve as one of the first items that our children are given when they arrive to our program, a welcome bag with a set of clean clothes, basic hygiene items and a stuffed animal that serves as a calming element in their traumatic experience. You will be happy to know that you are also a part of the most important step in our program with the donation of luggage and duffel bags since these items will be used by our children in the last portion of their long journey-when they are finally and happily reunited with their families.

On behalf of our children and every staff member in the Transitional Foster Care Program, thank you again. Your generosity and commitment are invaluable to our program.

Sincerely,

Diane Baird, BA, LBSW
