

Dear MSU Osteopathic Medicine,

On behalf of Open Door Ministry, I would like to thank you for your generous donation of clothing and winter attire. It's an honor to partner with you to help those who enter our doors seeking assistance whether its clothing, utility or rental help, birth certificate, state id or prescription co-pay.

Thank you again for your support. We wish you all a Happy Thanksgiving and wishes to you and your families all God's blessings this holiday season.
