Number of applications can be found in the [AAMC's Apply Smart: Data to Consider When Applying to Residency](#)  
 Recommended Number of Interviews and Length of Rank Order List comes from the [NRMP Charting the Outcomes in the Match](#)

\*These numbers are for US MDs as there were not enough DOs match to share relevant data

\*\*Data pulled from the Average Application Count by Specialty in ERAS

\*\*\*Data from the [San Francisco Match Ophthalmology Residency Match Summary Report 2019](#)

What factors are considered when determining your competitiveness? The following are all part of your overall competitiveness:

- Marginal or Negative Clerkship Evaluations
- Quintile 1 or 2
- Failed Coursework (1+ Clerkship /2+ Pre-clerkship)
- Failed/Low Board Score: COMLEX ≤450; USMLE ≤220
- Professionalism Issue(s)
- Any Leave from College
