SOCIAL MEDIA EXPECTATIONS AND PROFESSIONALISM

- MSUCOM students are expected to adhere to standards of professionalism and abide by applicable laws, policies, and rules that govern privacy and the dissemination of protected information (e.g., HIPAA).
- When using social media and other internet sites that involve postings, comments, and images, students are expected to refrain from posting protected information, disparaging others, or otherwise conducting themselves in a way that could reasonably be perceived as unethical or unprofessional.
- Care should be taken when expressing opinions. When expressing opinions, particularly opinions about medical or health care issues, students should clearly state that their viewpoints are their own and do not necessarily represent the views of MSUCOM or others.
- Cyber stalking and similarly inappropriate online activity can be viewed as forms of harassment.
- MSUCOM students should be mindful of the fact that social media and other internet sites are never completely secure; what is posted can be seen by many, including prospective residency programs and future employers.
- Social media conduct that is contrary to this policy may result in disciplinary action (up to and including dismissal from MSUCOM) and in some instances, legal action, if postings violate applicable laws.
- Facebook must be open to the public – great recruiting tool for perspective students. College approved logo’s must be used. Each organization should read (example): COM Student Government Association (SGA). Only organization information can be posted – no personal posts.

MEDIA RELATIONS POLICY – RESPONDING TO MEDIA

When contacted by a reporter who is interested in doing a story about your student organization, here are some general guidelines to follow.

- Contact the communications department in the College of Osteopathic Medicine. We can help you work with the reporter and also help promote the story.
- Be responsive and helpful when receiving a media request.
- Find out the details of the story. Who the reporter/outlet is, what specifically do they want to cover, when, and the date the story will publish or air.
- Make sure you understand each question before answering and if you don’t know the answer, then say so. It’s ok. Let the reporter know you can follow up later with an answer or more information.
- Focus on three to four key messages about your organization and stick to them. If the reporter starts asking you about something not within your expertise, say so. Let them know you can help connect them with the appropriate person.
- Make sure to represent your organization, the College of Osteopathic Medicine and MSU professionally and responsibly. Personal opinions should be clearly and carefully identified as such.
- Be sure the name of your organization and its affiliation with the College of Osteopathic Medicine is accurately represented in the story.
- If you receive a call related to a crisis or emergency, contact the COM communications department immediately at 517-884-3755.

VOLUNTEER ACTIVITY APPROVAL FORM:

The Student Organization Clinical/Volunteer Activity Approval Form must be submitted to the Office of Student Engagement and Leadership three weeks prior to the event.

For organizations with the exception of CIM, DSC, Macomb Mobile Clinic and SSM there will not be any patient contact at volunteering events. The form would NOT need to include a Supervising Physician but does need to be signed by our Faculty Supervisor/Advisor.

For CIM, SCS, Macomb Mobile Clinic and SSM with patient contact, the Form will need a Supervising Physician and Faculty Supervisor/Advisor signatures.

The purpose of this form is to ensure that students who have signed up are compliant with MSUCOM’s requirements (i.e. vaccinations, etc.).
