Welcome

On behalf of MSUCOM’s Office Student Engagement and Leadership (under Admissions and Student Affairs) and the Student Government Association (SGA), congratulations and welcome to the roles and responsibilities of student organization leadership! Within this Guide, student organization leaders are provided with guidance and resources for an optimal transition. Additionally, this document serves as a standardized guide for all MSUCOM student organizations to reference with regards to MSUCOM SGA Policies & Procedures Guide (PPG). With each transition of leadership, it becomes the responsibility of the newly elected SGA Executive Board and Advisors to ensure that this document remains up to date. While this document is intended to efficiently consolidate student organization information, it is understood that additional organizational resources may also be used (i.e., MSU Department of Student Life - Involve@State, MSUCOM TEAMS - Student Leadership Portal, Google Drive, Facebook, Electronic Files, Spreadsheets, etc.).

At the end of that period all interest groups will provide a detailed report to SGA on their membership, activities, and impact throughout that period. This will also be the policy for current standing SGA organizations. The data and outcomes will indicate the interest group sustainability for the possibility of being approved as an official SGA organization. During this trial period, interest groups will not be considered a MSU RSO (Registered Student Organization) and will not collect dues from its members.

For events that did not have minutes, dates for the event were sent to SGA and those dates were cross-checked and confirmed with the COM Student Events Google calendar.

- In PowerPoint 2007 open up a blank screen. Under Design go to Page Setup. Change the size of the document (see below) width and height from there.
- If you have an older version of PowerPoint, you can change the size of the document under File then Page Setup. Font must be: Ariel or Times Roman. Please make sure you leave .5” margins around the edges.
- All organization posters are same size: 23” x 23”
- If you need the photo taken of you or your other E-Board members at the Convocation/White Coat Ceremony for your posters, contact the SEL office and E-mail your PowerPoint poster to COM.SEL@msu.edu for approval.

Grading: Registration and Constitutions
All organizations must have an electronic updated constitution. Constitutions need to be sent to the current SGA Director of Administrative Services by early September (registration with MSU). All organizations must re-registered with MSU Department of Student Life by early September. If an organization fails to produce a constitution or to register with MSU Department of Student Life, the organization will not be allowed to schedule events, fundraisers or general membership meetings, therefore jeopardizing their standing with SGA.

Grading: Organization Fair Requirements
President of organization will produce a video with information on their organization and membership for first-year students to view before the in-person organization fairs in the Summer or early Fall semesters. Video updates will be due by June 1.

Grading: Lounge Clean Up Schedule
Each organization has storage space in their site-specific areas: Fee – Student Lounge (two rooms - basement), DMC – Student Lounge, Macomb – Student Lounge. Storage of biohazard products, food or beverage is prohibited. Any large items or mass quantities of items need prior approval. Storage room will need to be “cleaned out” on a mid-year and year-end schedule. Organizations will be assigned a week to clean their respective lounges by the SGA Director of Administrative Services (DAS). A schedule and check list will be provided in each of the lounges and e-mailed to each organization. Email DAS to confirm that you have cleaned.

Grading: Organization Reports
Organization year-end-reports are used for tracking meetings, events, fundraisers, expenditures and assets for SGA accuracy in the Grading System (Page 11) and that advisors have an overall report of their organization’s activities.
VOLUNTEER ACTIVITY:

As MSUCOM medical students anytime you volunteer in the community representing yourself as a medical student the volunteer activity must be approved by submitting the event online (page 13).

The only student organizations that can plan and/or volunteer at events with patient contact are: CIM, DSC, MCSM and SSM. These student organizations receive specialized training for outreach.

The Student Organization Clinical/Volunteer Activity Approval Form (below) must be submitted to the Office of Student Engagement and Leadership ten days prior to the event.

For CIM, DSC, MCSM and SSM events with patient contact, the Form requires a Supervising Physician signature.

If your organization is hosting a volunteer event without patient contact (soup kitchen, community garden, senior living center, sorting donations, etc.) the approval form is required. However, it does NOT need to include a Supervising Physician signature.

Volunteer Events that include outreach with minors require a Criminal Background Check by MSU HR. Our office acts at the contact and will provide students with the proper forms.

The purpose of this form is to ensure that students who have signed up are compliant with MSUCOM’s requirements and when applicable eligible for outreach with minors. https://com.msu.edu/current-students/student-life/clinical-outreach
