

MSU College of Osteopathic Medicine Request for Student Information Access

Under the Family Education Right to Privacy Action (FERPA) and University policy, access to confidential student information is only to be made available on a need to know basis. It is important to keep in mind that regardless of the form of its existence (electronic or paper, in a database or extracted from a database and pasted into a new document, in written correspondence or spoken conversation) data that are private and confidential are always private and confidential and should be secure.

Please complete form below to request access.
