- 4. If you have a search field, type in the course information you are searching. Otherwise scroll down to find courses.
- 5. Click Enter or the Magnifying glass to search.
- 6. Click the thumbtack (pin icon) for the course you want to pin. If the thumbtack is solid it means the course is pinned. If the pin is not filled in, that means that the course is unpinned.
- 7. All pinned courses will show in your My Courses widget on the Course Home.
